It's for Real Workplace Ethics Series III and IV provide the same successful educational format as Series I and II. The lessons feature five new students in new careers facing new work ethics dilemmas on the job. The lessons are conveyed in two series that address 16 different ethics themes. Series III focuses on ethics of the employee and Series IV targets ethics of the employer that affect the employee, for example, withholding a paycheck or using intimidation. *It's For Real* includes an Instructor's Guide with solutions and three additional activities that involve critical thinking, group work, and community and local employer involvement.
